Congressman Scott Rigell
Second Congressional District of Virginia
Class of 2016 Academy Nomination

Nomination Procedures

I am pleased to receive applications from students in Virginia's Second Congressional District for nominations to one of the four U.S. Service Academies – USAFA, USMMA, USMA and USNA. I have established a fair and objective procedure which will allow me to produce the best-qualified candidates for the Academies.

To be considered for a nomination, applicants must be legal residents of the Second Congressional District of Virginia. I will accept applications from candidates who will graduate from high school in 2011 or those who have already graduated. To be considered for this year's graduating class of 2016, applicants must meet the following basic requirements:

- Be unmarried, not pregnant, and have no legal obligation to support children or other dependents
- Must be a United States citizen and a legal resident of the Second Congressional District
- Must be at least 17 years old but not yet 22 years old (as of July 1st the year of admission)

The following information is a brief overview of the selection process. Admission to a Service Academy is a two-tiered process. First, the applicant must directly apply to the Academy and meet the set minimum standards. These standards include, but are not limited to: medical, physical, and academic qualifications. The second tier in pursuing admissions is the Nominations process.

An individual must meet the admissions requirements for the Academy as well as receive a Congressional Nomination in order to be offered an appointment. Please keep in mind, those who may receive a nomination are not guaranteed to be offered an appointment by the Academy.

My office must receive all information no later than **October 31, 2011** for those interested in entering one of the Service Academies in the summer of 2012. All correspondence and questions regarding the Academy Nominations process should be directed to Bre Kingsbury. Please mail completed applications to:
